This four town home complex on Canary Lane in West Bay offers privacy and proximity at a good price. The main floor kitchen and living space is bright with natural light from a large sliding glass door to the shared back garden and also has a half bath. Upstairs, a generously sized bedroom, walk through closet with laundry and walk-in shower splits the total living space over two floors. A great start to home ownership or keep as a rental investment with low monthly fees and a tenant currently in place.
